

Residents,

City Council voted Tuesday to do some changing of our annual city clean up. The date is Saturday May 11th from 8am to 1pm and will take place in the field in front of the Sanitary Plant. We have contracted WM with 2 11 ton compactor trucks during this time instead of an all weekend event. This is still to residents only and you will have to have your sewer bill with you to verify residency. We will be posting an updated list of what can and cannot be disposed of. Thanks.

Mayor Barrett
